PROPERTY DESCRIPTION

You will fall in love with this charming colonial near Winchester Center. This home offers central air-conditioning as well as beautiful neutral décor and gleaming hardwood flooring throughout.

The dining room features a built-in china cabinet, a stunning chandelier and a window seat for extra storage. The updated chef's kitchen boasts top of the line appliances including a Thermador Professional six burner stovetop with dual ovens, a stainless steel Bosch dishwasher and GE refrigerator. Adding to the charm of this sunny room is a center island, built in wine rack and recessed lighting. Perfect for entertaining, the large deck is conveniently located off the kitchen.

Three bedrooms and a bathroom with tile flooring and a pedestal sink can be found on the second level. A hidden treasure is met when you follow the stairs up to the attic which has possibilities as a fourth bedroom, playroom or office.

Great for spending time with the ones you love; the family room is in the finished lower level and steps out onto the lovely brick patio. Complete with carpet flooring, a laundry room, office "nook" and full bathroom, this extra living space is incredible!
