## PROPERTY DESCRIPTION

Want easy access to public transportation, shopping, school, and walking/jogging trails, yet enjoy your privacy? You've found it all in this lovely meticulously maintained home.

Built in 1868, the Twombly home, originally a farmhouse, exhibits the charm of the era coupled with modern conveniences. As you enter the front foyer your attention is drawn to the beautiful mahogany staircase. Period piece chandeliers and ceilings in the living room, family room and dining room and hardwood floors help maintain the integrity of the architecture. Enjoy time with friends and family in the brightly lit living room. Decorative columns span the entry to the adjacent family room boasting a fireplace with tiled hearth. A large eat-in kitchen with hardwood floors, recessed lighting, granite countertops, and warm cherry cabinets is a room in which you will enjoy preparing meals. A half bath with laundry and adjacent mud room with ample storage space complete this level.

Ascend either of two staircases to the second floor. Here you will find four bedrooms and two baths. The brightly lit master bedroom has built in shelves. Two other bedrooms have large closets. A full bath with oversized shower is convenient to all three bedrooms.

Have guest or in-laws who come to visit? A separate wing on the second floor offers privacy with a fourth bedroom and full bath with a claw footed tub. Built in cabinets add to the storage available on this floor.

The lower level has a full basement.

A flat fully fenced professionally landscaped yard complete with brick patio offers privacy and space for family gatherings and relaxation

The surrounding family friendly neighborhood is renowned for its welcoming atmosphere and holiday festivities; certainly a wonderful spot for your family. Don't miss out on the opportunity to see this home!
